DAYLIGHT SAVING

You have a date with the clock early next Sunday morning—that's April 26. Be sure you turn it one hour ahead so that you will "keep time" with the rest of California.

Simplest procedure, of course, is to twirl the clock hands before you go to bed. You'll lose an hour of sleep, but you'll get it back next September when we return to Standard Time.

This being a free country, you can leave the clock just as it is—with the probable following results: Arrive at church Sunday morning just as the congregation is coming out; miss half the ball game on Sunday afternoon; get to the office an hour late on Monday. This last instance could cost you your job, and without a job you would get grouchy and disagreeable and your wife might leave you and your friends desert you and you would wander hither and yon—friendless, forlorn, and famished.

You'd better set your clock ahead.

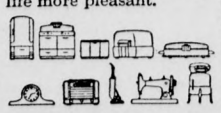
When we moved from New England we learned that
Gas and electricity are cheap in California
says Mrs. V. A. McGuire of Fresno, right, with her sister, Mrs. Edward Arvanigian

How P. G. and E.'s low rates save Mrs. McGuire money..
In their comfortable Fresno home, the McGuires use these appliances to save work, make life more pleasant.



The McGuires' P.G. and E. bill last month . $15.92
In her former Eastern home the same amount of gas and electricity would cost $37.30

Upon coming to California in 1949, Mr. and Mrs. McGuire found that gas and electricity cost less than half as much here as in their former home.
While 'most everything you buy has doubled in price since 1938, P. G. and E.'s combined rates are actually lower now than they were 15 years ago!
Let bargain gas and electricity do more of your work, make your life more comfortable.

The miles that come in cans

Not too long ago, you took "pot luck" when you bought oil for your car. It all came out of a big drum. Whether you got the right weight and grade was often a matter of luck. Today, there are hundreds of different lubricants. Each is engineered to do a specific job in your car. Each is identified clearly for you in an attractive, tamper-proof can.

Oil, of course, isn't the only automotive product that comes in cans today. There are anti-freezes, windshield cleaners, tire-repair kits, nuts and bolts for minor repair jobs. Also waxes and car wash. These are just a few of the products that fill the *millions* of cans used in California every year.

All are important contributions to the miles of happy motoring you enjoy. Moreover, they bring to American life economic benefits you probably never even thought of. Thousands of jobs, for example, are created. Purchasing power is increased. New businesses are able to get started.

It's true of any business in America—people working together make miracles happen. Consumers, workers and investors have made it possible for the American Can Company to do great things in the past, and to promise even greater ones for the future.

Campbell Grammar School Diamond Chosen For Major League Softball

Major league softball will return to the Campbell Grammar School this summer for the first time in several years, with the home team California Supply Co. of San Jose, direct successor of Western Gravel's great team that captured Northern California Regional ASA championships in 1949 and 1951, and which for the past four seasons has won the Santa Clara County ASA district title.

Heading the roster of former Western Gravel stars with the Cal Supply club is "Bud" Bosque, San Jose police detective, and "granddaddy" of Northern California softball pitchers who needs no introduction to fans anywhere in Calforna. Other former Western Gravel players are Manager Jake Wood, Bill Benevich, Merv Bertholf, Art and George DeLeit, and Buster Fontaine. Five members of the present club played last year with California Supply Co., which finished second to Western Gravel in Santa Clara County competition. They include pitcher Pete Sanders, catcher Ray Rodriguez, shortstop Gene Menges, former San Jose State athletic great and now backfield coach of the Spartan football team, second baseman Wil Concklin and Utility man Bryan Foley.

Jack Casey, fiery little second baseman of last year's Leon Terry club, Don Ouellette, speedy left hand batting outfielder from Sunnyvale Merchants and Manny Moyano, reserve catcher, who formerly played in Watsonville are other members of the 1953 roster.

The club will start its home schedule at the Grammar School diamond Friday night, May 1, by taking on Hank De Sotos of Sebastopol, which under the name of Weeks Hardware last year finished fourth in the Northern California Regional Tournament at Napa. The North Bay club eliminated Western Gravel from the tournament.

The following night, Saturday May 2, Cal Supply will host Folger Lumber Co. of Berkeley at the local diamond, and on Tuesday night, May 5 will entertain San Mateo Merchants.

California Supply Co. will compete in the fast California State Softball league with other teams in the league including Napa Merchants, 1952 Northern California ASA Regional champions, Rouse & Boivie Magic Carpets of Richmond, Galileo Club of Berkeley, San Mateo Merchants, Peninsula Homes of Redwood City, Menlo Motors of Menlo Park and Willi Oilers of San Jose. They will meet each of these clubs four times during the summer, with at least two of the games slated for the Campbell diamond.

In addition to regular league games, Cal Supply will play independent games with most of the best clubs in Northern California not in the league. Among teams with which games are already scheduled are Rasmussen & Moody of Monterey, 1952 champions of the ASA district which includes Monterey, Santa Cruz, and Sen Benito counties; Napa Rough Riders, Salas-Moores of Modesto and Tennessee St. Merchants of Vallejo. Other games are now being arranged by Business Manager Ted Shipley with such teams as Chapel of the Oaks, nosed out by Napa Merchants in last year's Regional Tournament in one of the most sensational championship battles ever staged in any softball tourney; Miles & Son of Merced, 1952 champions of the Northern San Joaquin Valley ASA District, Valley Steel of Stockton, for many years one of the best known teams of the upper San Joaquin Valley and several others.

When not traveling, the club will use the Grammar School diamond as a home park on Tuesday, Saturday and Sunday nights. A home schedule of between 25 and 30 games is now nearly complete.

BOXING BANTAMS BATTLE TO DRAW IN QUITO AND UNION AMATEUR BOUTS

The staccato rap of 16 ounce gloves wielded by pint-sized boxers, the enthusiastic cheering of proud parents and interested neighbors, the excited crunching of peanuts and the pop of soda bottles, lent a holiday atmosphere to the auditoriums of Quito and Union Schools, last Friday and Monday when the Dads' Club presented an evenings of amateur boxing to underwrite the purchase of athletic equipment for the two schools.

All bouts were declared draws by referees John Dugan of Quito as proud parents, acting as seconds, wiped down and congratulated the battling bantams.

At Quito, Jackie (Pepper) Le Flore fought "Chuck" (Hammerhand) Harley; Teddy (Bear) Raymond engaged Doug (Mauler) Moisenco; and Greg (Slugger Snyder went the distance with Chuckie (Killer) Kleppen.

Following the atom weights, BB Weight boxers Glen (Haymaker) Hanson vs. Lonnie Shifty) Radcliffe; Greg (Gambler Goodere vs. Mike (The Mick) Duncan; Donald (Daring)l Kil vs. Russell (Battling) Batrol; and Buck (Cosy) Kleppen vs. Billy (The Kid) Timmons, gave out with shifty footwork and pendulum-like blows.

Other contestants in toothpick, paperweight, and matchstick classes saw bouts between Rickey (Rock) Landis, David (Goliath) Martin, Larry (Primo) Elizondo, Jackie (Sledge) Stiltz, John (Dippy) Lisk, Frank (Nuckle-noggin) Gogliano, David (Overhand) Avery, Earl (Duke.. Varlallona, Lonnie (Spike) Raymond, Jeff (Needle) Goodere, Ro-Ro (the Rabbit) Skaggs, and Dean (Slam) Srygley.

After intermission, Stephen (Poker-face) Winter, Medford (Whaler) Snyder, Kiyoshi (Skip) Idota, John (Digger) Duncan, George (Fanner) Friese, John (Poof) Previta, Gary (Bomber) Barnett and Ronald (Hairless) Skaggs, belabored each other with pillow punches that left the contestants hanging to each others shoulders, barely able to stay aloft under the weight of the heavy gloves.

Cricket weight contenders were: Tommy (Rattler) McKee, Bobby (Drummer) Sousa, Doug (Granite) Friese, Richard (Ripper) Rios, Joe (Roundhouse) Redcliffe and Dennis (Hambone) Hann.

An extra attraction was the bout between Richard Johnson and Robert Williams.

CUHS TANKERS DUNK RAMS, 50-25

The Campbell High Aquamen swam to a 50-25 drowning of the Willow Glen Rams in the opponents pool on April 14. This was one of the best showings the team has enjoyed in their 2 year history. They took first in every event with the exception of the Medley relay which was a close second.

Leading the field with a school record breaking performances were Herm Gerke in the 100 yd. back stroke a time of 1:19.5, Bill Kaufman in the individual medly with a time of 2:06.2 and Ben Sloat 195 points in the diving event. The 4 man free style relay team composed of Don Greening, Herman Gerke, Jim Merritt and Bob Nichols triumphed over the Rams by one-tenth of a second, establishing a new school record of 1:50.6.

Other first place winners were Don Greening in the 50 yd free style, Bob Nichols in the 100 yd. free style, Jim Merritt in the 200 yd. free style and BillK aufman in the mreast stroke.

SCHOOL POOL SKED SET FOR SATURDAY SWIMS

Campbell High School swimming pool will be open for recreation swimming on Saturday only to Quito Park, San Tomas and Union, according to L. P. Scroggins, pool manager.

The schedule as now set up calls for Quito Park swimming from 10:00 a. m. to 10:40 a.m. followed by San Tomas swimmers from 10:40 a. m. to 11:20 a. m. and ending with Union from 11:20 a. m. to noon.

Pool activities call for instruction for the first 25 minutes of each period followed by free play for the last 15 minutes.

Pool manager Scroggins suggests that each playground limit their swimming group to 50. "Each group should plan on arriving at the pool at least 10 minutes before classtime," he said.

Life saving classes (open to any resident of C. U. H. S. area recreation district) will be conducted from 2 p. m. to 5 p. m.

Age requirements for the life saving classes are 12 years for the junior life saving group and 16 for the senior life saving classes.

Hittin' the HI -SPOTS

with Wayne Sturtevant

There were rumblings of dissension throughout the country last week ... No matter where you went there were frowns and little groups of whispering men on every corner. They cast wary eyes about them to make sure no mere misunderstanding female was within the hearing distance ... For they knew Ma just wouldn't understand how they felt about this thing.

Then the good lady, old dame luck, in cooperation with the Gods of Weather stepped in and once again all was serene on the American scene ... President Eisenhower had finally decided to throw out the first ball of the first game of the baseball season at Griffin Field in Washington, D.C. ... As it turned out the first game, which was to be played Tuesday, was rained out and postponed until Thursday.

Seems to me that President Ike should be very thankful for this little service by the weatherman. Who knows, it might even get him re-elected four years hence ... We baseball bugs can get pretty fussy about a little thing like that ...

Ever hear of "Operation Philippines?" Well, don't feel too badly—I hadn't either until last week when I broke bread with the local Lions Club members .... Operation Philippines is a Lion project, in which the Campbell Club participated, to send tools to the farmers in the Philippines to help raise their crops. Keeps 'em happy, prosperous and healthy down there and is a large stick in the constant fight against Communism ... All told, a very worthwhile cause.

Local high school gals have a new "Silent Love" ... Noticed quite a few of the gals casting shy glances at Glen Skillrud, new owner of Glen's Service up by the school ... Reason is that, besides being a very competent service station man, Glen is a mighty good looking fella ...

Saw a demonstration of the handiest little gadget of 'em all the other day ... Nick and Tom of Campbell Upholstery and Glass have a little machine (one of very few in the country) that takes cigarette burns, cuts, etc., off table tops with ease ... They say that many many times it saves the cost of replacing the whole top of the table ... Can't even see the spot by the time they get through. Like magic, it looks ...

DOUBLE TROUBLE ... The gals at Florentine Delicatessen, whose luck has been holding out great, are having a spell of trouble now ... Business-wise, everything is jake, but personally, it's tough. Mrs. Ginestra, Angie's mom, and the lady who is responsible for the wonderful food they sell, started it off by going to the hospital last Saturday, where she is preparing for a serious operation ... Then little Nadine wrapped it up by getting herself in a car wrech last Monday night....She and her hubby, Danny, let the corner of The Alameda and Polhemus get the best of them—tangled with another car and Nadine ended up at the First Aid Station with some minor cuts and bruises....Feelin' OK now, luckily ... That's all for now ... See you next week.

1800 Models At Fashion Show

"Tell me pretty Maiden, Are there any more at home like you", was the popular song when grandpapa was courting grandmama. If you would like to relive that moment in history you might get into the mood at the historical fashion show sponsored by Job's Daughters Bethed No. 206 at Montalvo in Saratoga on Sunday April 26th from 2 to 4 p. m.

Thirty five lovely young ladies will turn back the pages of history from 1930 to 1800 as they model authentic period costumes loaned by members of pioneer valley families. Costumes to be modeled include: Wedding gowns, bustle dresses, christening gowns, linen dusters, high button shoes, pantaloons and full nightgowns, bathing suits that were never intended for the water, hobble skirts and Gibson girl gowns. Oldest to modeled is a Hudson seal coat designed to fit over the bustle dresses and originally worn in 1800.

Organ musical settings will be provided by Max McIntire at the console of his Hammond Organ and violin music by Diane Suhr. A group of Sara-Cat folkdancers will do an exhibition Sicilian folkdance in native costume.

Cambrian Club Elects Officers

Mrs. Monty Estabrook was elected president of the Cambrian Home and School Club at a meeting of the group on April 8. Mrs. John Williamson was elected vice president; Mrs. Edgar Banks, secretary; Mrs. Robert Graves, treasurer; Mrs. Lester Rapheld, auditor, and Mrs. Wray Cloyd, historian. The new officers will be installed at the May meeting.

Mrs. Rapheld introduced Stanley Bourgeault, speech pathologist, for Cambrian, who discussed speech problems of school children and methods of correcting them.

Membership awards were presented to the teachers of classes having the highest percentage of parent members.

First place was won by Mrs. Lester Norberg's second grade; second place went to Mr. Robert Kemppe's sixth and seventh grode; third place was taken by Miss Yvonne Francis's third grade. The winners received $2.00 each to be used for class parties.

Mrs. Donald Lantz, Home and School Club president, announced that the Durant Dancing School has started classes in Cambrian Youth Center, with instruction every Tuesday afternoon in tap dancing and ballet for pupils from four to forty.

At the next meeting of the Cambrian Home and School Club, there will be installation of new officers.

SAN TOMAS SCHOOL TO DEDICATE NEW CAFETORIUM WEDNESDAY NIGHT

San Tomas School's new cafetorium will be dedicated Wednesday, April 29, in ceremonies to be held in the building at 7:30 p. m. The program will be followed by an open house from 8:30 to 10 p. m.

Built in 1946 and added to in successive stages, the school had no cafeteria until the structure to be dedicated was opened early this year. Until that time, meals cooked at Campbell Grarmar School were trucked to San Tomas and served to children in their classrooms from a cart.

Dedication ceremonies will be opened by Cub Scouts under Harold Noble leading in presentation of the flag. The orchestra, directed by Wally Johnson, will play several selections followed by rhythm band numbers played by first grade pupils.

A May dance will be presented by pupils in Mrs. Mary Morris' second grade. Mrs. Claudia Kirby's fourth grade will give a choral reading.

Edwin C. Van De Mark, president of the board of trustees, will give the dedication address. Also present on the platform will be representatives of school and community groups whose activities are centered at San Tomas.

Refreshments will be served from the cafeteria before the open house. Mrs. Evelyn Lloyd is first cook at San Tomas and district cafeteria supervisor is Mrs. Florence Fuller.

The school is a center for youth activities and Boy Scouts, Cub Scouts, Camp Fire Girls and Girl Scouts use its facilities.

An active PTA and Dads' Club sponsor many projects for the school and have bought much playground equipment for use there. The new Quito School is relieving the enrollment burden at San Tomas, which, even with the former school in operation, is at full capacity. The projected Cherry Lane School will also handle some of the load.

Principal is Marc Swengel.

CAMBRIAN REGISTER

Following Sunday morning services at Cambrian Park Methodist Church, the Methodist Youth Group will motor to Monte Toyon and Sea Cliff for a day's outing. There will be a campfire service in the evening.

Four members of Santa Clara Methodist Church last week donated time and labor on new Cambrian Methodist Church, at the corner of Wyrick and Gunstan Way which is rapidly taking shape. Visiting churchmen included William D. Erikson, Malcolm J. White, David Treder and Harry E. Guilford. Church women served luncheon at noon.

Cambrian workmen on the church who also donated free time were P. Solomon and Guilbert Carlson. Russell Freeman and Don Christensen were high men for the week.

There was a meeting of parents and representatives of the Cub Scout Pack being sponsored by Cambrian Methodist Church during the week. Under the chairmanship of Laurence J. Hill, superintendent of Campbell Union High School District, 11 members were present. It was decided that there should be two scout packs in the area. All that is needed, according to officials was a sponsor for the second pack.

There will be a Pack committee meeting next Monday at the Parsonnage, 14905 Leigh Ave. to complete the organizational plans.

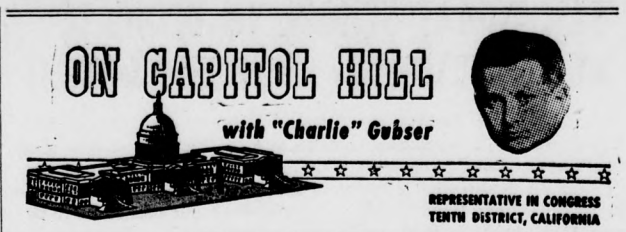
ON CAPITOL HILL with "Charlie" Gubser



REPRESENTATIVE IN CONGRESS TENTH DISTRICT, CALIFORNIA

Last week presented two new "firsts" for your congressman....my first participation in a floor debate and my first major league baseball game. The House passed H. R. 3480 which extends for three years the agreement with Mexico under which farm labor is recruited. When opponents of the bill accused us of using "slave labor" I felt compelled to state the facts as I knew them. My maiden speech was brief, very much to the point and, I believe, well received.

The major league baseball season got off to a delayed start as President Eisenhower threw out the first ball. "Ike" pleased everyone at Griffith Stadium with his broad smile, and apparent zest for the job at hand. Vice President Nixon and Speaker Martin raised the flag in a most impressive ceremony and of course the ex-fullback of my alma mater, Jackie Jensen, came through with a resounding double. It was a great day for everyone but the Washington Senators as the Yankees trounced them 6 to 3.

Last week Senator Taft called for Saturday and night sessions of the Senate....the heat is on! Incidentally, some people have asked why the Senate is called the "Upper" house. We always say that it is because they always "up" our appropriation bills. Actually it is because when the first Congress met in Philadelphia, the Senate was upstairs and the House downstairs.

The President's foreign policy speech of last week was a big hit on Capitol Hill. It was the first clear enunciation of terms for peace and the President's offer of "disarmament for social progress" met with universal approval. You hear both Republicans and Democrats claiming that our improved foreign relations are due to Ike's handling of foreign policy.

Rumors regarding a split in the Republican Party over Secretary of State Dulles and MSA Director Stassen are unfounded. Small areas of disagreement certainly should not be considered as major feuds.

Received 6 beautiful pictorial views from the San Jose Chamber of Commerce last week which gave us a touch of home here in the office.

See you next week.....

Campbell Register

Stanley Smith, well-known orchardist of Vasona Junction is recovering slowly from a serious operation. The operation was performed at O'Connor Hospital two weeks ago for a kidney ailment. Mr. Smith's condition is still serious, according to Mrs. Smith. No visitors are allowed as yet.

Smith's son, Al, is head of the Agricultural department at Campbell Union High School.

A lovely buffet luncheon, honoring Mrs. FRED PAYNE of San Francisca was given last week by Mrs. LLOYDE SMITH at her Lovell Avenue home. The occasion marked the end of Mrs. Smith's second year in the neighborhood.

Neighbor guests honoring Mrs. Payne were Mesdames OLIVE BUTTS, MARGARET MAGDALINO, GEORGE BALLANTYNE, JIM ROGERS, JOHN TOLKEN and FREDRICK NYBRO.

Canasta completed the afternoon..

The betrothal of JANE ANNE PAVLEY to A/3c JOHN R. WALTERS Jr. was announced by the traditional passing of a chocolate box to Jane's sorority sisters of Epsilon Rho Chapter, Delta Theta Tau.. The bride-to-be is the daughter of Mrs. WILLIAM H. SEAMAN. Her fiance is the son of Mr. and Mrs. JOHN R. WALTERS Sr. of Los Gatos. He attended Junior College and is now with the 328th Training Squadron, U. S. Air Force, stationed at Camp Parks. On completion of basic training he will be stationed at Fort F. E. Warren, Cheyenne, Wyoming. He is a charter member of the Los Gatos Chapter of the Order of De Molay and is affiliated with Alpha Phi Omega at Sacramento.

Both young people are alumni of Campbell Union High School.

No date has been set for the wedding.

A cake sale will be held Saturday, April 25th, at Maderis' Market, by the American Legion Auxiliary, No. 596. Delicious homemade cakes, cookies, pies and salads will be available all day at Maderis' on everybody's favorite shopping day. Mrs. HERBERT MYRING is in charge of the sale.

Mrs. R. B. EDWARDS of East Campbell Avenue left Tuesday by Greyhound for San Diego, where she will stay for about a week at the home of her brother and sister-in-law, Mr. and Mrs. W. E. WADE. Mr. Wade has been ailing and it is hoped that Mrs. Edwards will find him in improved health.

How to make good telephone service even better....

You'll spread the news faster if you call by number When you're making out-of-town calls you'll find that your calls go through faster — twice as fast — if you give the operator the telephone number you want rather than just the name and address. That way, you see, you won't have to wait while she calls "Information" to get the number you're calling. So why not keep a list of out-of-town numbers handy — it's surprising how much time you'll save.

now you can take calls anywhere in the house

... with handy extension telephones. No more missing important calls, simply because you were in a distant part of the house and couldn't get to the phone in time. You can enjoy extension telephones now — for just a few pennies a day.

CAMPBELL HI-LITES

by Bob Olson

Recognition for outstanding citizenship and scholarship was given to four students of Campbell High School with the announcement of the selection of the Bank of America Awards recipients. CUHS winners are Jon Dorman,, Don Lawrence, Noel Weeks, and Bob Shockley. They have been presented with trophies to commemorate their achievement.

These contestants from Campbell are appearing in the Board of Education Building in San Jose today in the Santa Clara County regionals.. San Jose winners go on to San Francisco on May 19th where they'll participate in the final Bay Area Selection event. Robert Shockley will represent CUHS in the Fine Arts Division, Jon Dorman in Science and Mathematics, and Noel Weeks in Vocational Arts. Candidates in each of these general fields will participate in group discussions this afternoon seated about the same table as the judges. Discussion topics are not announced until all are seated, and there will be no public spectators.

Should one of Campbell's entries go on to San Francisco and win there, he'll be in line for some mighty worthwhile awards: $1000 first place, $500 second place, and $250 third place, with $100 being given to each of the remaining candidates.

It's quite an honor even to be chosen for the San Jose regionals, since character, personality, leadership, and civic responsibility, as well as intellectual achievement, are considered in making selection. This Achievement Awards program is conducted by Bank of America in conjunction with high schools throughout the state.. Purpose of the program is to give recognition and encouragement to graduating seniors of public and private secondary schools who have made outstanding scholastic, leadership, and citizenship records while in school. Awards are made by impartial judges on the basis of the student's achievement in school and promise of future success and service to society.

How many A's did you get?
An incomplete or conditional?
Nobody likes report cards
But to take them home is traditional—

And take them home everyone did yesterday whether they held all A's or all D's or some strange combination of four letters or those meaningful abbreviations: INC. (meaning some work will have to be made up or else) or COND: (which may not be as optimistoc). This writer is not surprised when some are disappointed by what they thought should have been better grades or when some are inspired to proclaim, "I'm going to turn over a new leaf and bring that weak C up to a strong B." But he is pleased to note that school goes on in spite of the crisis of report card time.

My own second period students took exactly two minutes out to see "what we got." Then the disappointment (or excitement of an A) was quickly pushed aside and everyone was ready to learn the next lesson. It is a pleasure to work where everyone is not so grade conscious that only the grade is the thing. We're convinced that CUHS students are sincerely more interested in what they've learned than in merely what a card rated them.

"April Showers?" We've had our share of them, all right. But the best are coming tomorrow night, for that's the theme of the latest All School dance to be held in thie Girls' Gym from 9-12 P. M. The girls will be wearing summer cottons and the art commission has decorated the gym in real April flowers style, so, as Gary Lenz said today, "It should be a Spring fling to sing about."

The last big variety show of the year will be held Friday evening, May 1st, in the auditorium. And it will be BIG, since it's to be a joint venture by the Modern Dance Club, directed by Mrs. Jennings, the school Drama Department, directed by Mr. Wallace, and the faculty.

We saw the dancers in a recent assembly preview in conjunction with Mr. Triena's A Capella Choir. And they were sensational: "The "Charleston" was the most professional number seen on the Campbell stage this year; the ballet was better than some seen in San Francisco, and all the dancers exhibited that fresh enthusiasm possessed only by high school adolescents.

Mr. Wallace's drama department will feature the school's "top comedy team" in some new material written especially for this show and some new skits said to be "fresh from Broadway." And if you haven't seen the Faculty Trio (Messrs. Brown, Stephens, and Newberry) perform, they alone are more than worth the small admission charge. These three song stylists have been terrific in all their appearances and consistently make tears of laughter run down cheeks with their inimitable "You Belong To Me" routine. Now we hear theyre even taking on a new writer, so they should be fresher and funnier than ever.

Don't miss this rare combination af all school talent. Tickets are only 50c, and where else could you get a laugh for every penny?

Rain threatened all afternoon but none came. The crowd was a big one, enthusiastc but always sportsmanlike. The play on the diamond except for a few errors was first rate. And the competition was fierce. Last Thursday's "Big Game" of baseball against Mountain View could have gone either way. Unfortunately, it went their way, and Campbell lost to Mountain View 4-3. Nevertheless, it was encouraging to have the stands so full of rooters; that pregame pep rally really paid dividends. Just too bad that Eagle pitcher, Orv McElrath, was even better than Coach Miskulin had forecast. He struck out thirteen Buccaneers, a la Bobby Feller.

But we've got another chance this afternoon. That terrific nine from James Lick is playing Campbell on our diamond. This will be only their second defeat in the last fourteen games, if we beat them, that is. We'll have to sharpen our batting eye again for they have a terrific pitcher. His name's Ruben Aldama, and her's said to boast a "lightning ball." Hope we can make lightning strike them instead.

Tomorrow our track team hosts Santa Clara on our oval in the year's fourth meet. Come out and see Ken Beth and Dennis Dunne break some more records. They're terrific milers and hop, step, and jumpers. Our spikement have been improving with every outing.

Our Swimmers, fresh from a victory over Willow Glen (50-26) take on those defending champions from Santa Clara here in our pool tomorrow afternoon. The Campbell aquamen should make it a real match since they took first in every event but one against the Rams. Herman Gerke, Bill Kaufman, Ben Sloot, Bob Nichols, and Don Greening continue to look like junior Weismullers. Some maintain that this is the best "pool" of men ever to represent Campbell High. No pooling.

Mrs. Charles Gagliasso witnessed her daughter's wedding wearing an aqua blue suit, while Mrs. Frank Chevalier was attired in pink. Both pinned on orchid corsages.

The benedict's best mann was La Vern George Gagliasso.

A reception was held at 972 Emerald Way in San Jose, where the bride cut a beautiful cake for her guests. Then she donned a mint green travelling suit and left with her husband for a wedding tour to Texas, where Lt. Magginetti will be stationed at Ellington Air Force Base.

Mrs. Eva Toll In Australia

SIDNEY, AUSTRALIA —A 79-year old woman has made her first air trip from America to Australia to start a new life.

She is Mrs. Eva Toll, formerly of California, who arrived by BCPA last night with her daughter and son-in-law, Mr. and Mrs. Ira A. Beal.

Sixty years ago today Mrs. Toll landed in America from her birthplace in Sweden to make her second home.

At Mascot last night she laughed and joked about her new adventure.

"We came to Australia because we have pioneer blood in our family—and there's more room here than in California," Mrs. Beal said.

According to a letter recently received by Mrs. M. E. Mumm of Virginia Avenue, from Mrs. Ira Beal, the trip to Australia by DC-6 was most interesting and comfortable, with her mother, Mrs. Toll, taking well to the air. It was Mr. Beal's first journey to that far continent, too, whereas Mrs. Beal had visited there with the couple's son, Herbert Beal, in 1951.

Mrs. Beal's letter tells of seeing General Chennault and his family at the San Francisco Airport before the Beal party embarked. She describes the luxurious service of the plane, the brief stop at the International Airport in Honolulu, the Canton Islands, the Fiji Islands, and the arrival in Sidney at 6:45 p.m. in a glorious sunset.

The Beals and Mrs. Toll stayed at the Wentworth Hotel in Sidney then caught a DC-4 to continue their journey to their son's home near Renmark, where they will also make their home. They flew over many miles of eucalyptus and pine forests, desert and little towns in the midst of vineyards and orchards. Herbert Beal was waiting for his parents and grandmother at Mildura where the party had a picnic in a lovely park. They then drove ninety miles to the house in which Herbert Beal and his family live pending completion of a new house on their thirty acres.

Mrs. Beal's letter ends with a note on the blue and gold weather and the good Australian watermelons, the news that her husband and son were in Adelaide buying a new car, and a promise that Campbell will hear more from its former residents now turned "Aussie."

Mrs. C. Thompson, Mrs. Wm. Lloyd Honored At Event

Mrs. Carrie Thompson, 93 years old yesterday was honored guest at a birthday dinner at the home of Mrs. Gaelen Thompson of Woodard Road, Cambrian Park, Wednesday, April 22.

Mrs. William Lloyd, 39 Second Street, also celebrated the same day and shared inbirthday honors. Guests present at the celebration were: Mrs. William Lloyd, Mrs. Clara Baldwin, Mrs. Louella Whitney, Mrs. Ida Baumgardner, Miss Dorothy Gleason, Mrs. Florence Buell of Alameda.

Both Mrs. Thompson and Mrs. William Lloyd were the recipients of birthday remembrances.

Mrs. Nelson Cowdery was cohostess. She is the sister of Mrs. Carrie Thompson.

FASHIONS . . . featuring summer cottons and play clothes furnished by Dolly Ann and Helen Juvenile Shop were modeled by (right to left) Jerry Strong, Linda Cory, Carol Eason, Mrs. Burch Calkin, and commentator Mrs. W. B. Morrell. Show was a highlight of Campbell Grammar School PTA installation party recently held at the Grammar School.

Final Plans Laid For WSC Tea, Summer Serenade

Final preparations are being made by the Women's Service Club of Campbell for its annual spring tea musical, April 30 at 2 p. m. at the Methodist Church.

The theme this year is "Summer Serenade" and appropriate and unusual garden decorations are being planned by Mrs. Earl Buck.

Mrs. Robert Mumm, dramatist, pianist and book reviewer will present several pianologues with original accompaniment.

Mrs. Mumm, a graduate of University of California, Berkeley, is well-known in service clubs throughout California and for her clever entertainment of USO units during the last war. Her pianologues and dramalogueuse are composed from poems gathered through many years. All are set to her own music.

To complete the program on April 30th, the Service Club is sponsoring a 19-year old local violinist Gilbert Johnson. He is a graduate of Campbell High School and studied for the last five years under Carl Lundstrom of Los Gatos. He has performed for the Music Teacher's Association of of Los Gatos, Radio KEEN and Eastern Star organizations of Campbell and Oakland.

The following committee heads appointed by Mrs. Everett Nelson are working toward making this musical afternoon a pleasant experience.

Mrs. Rudy Golden is general chairman of the affair. Decorations are in charge of Mrs. Earl Buck. Food will be the province of Mrs. Ray Davis. Mrs. William Ostermeier will have charge of large tea tables and chairs, while small tea tables and chairs will be under the supervision of Mrs. Milton Robertson.
